TIP FOR PARENTS:

Because Lincoln Logs are colored and stained in the traditional manner, the dyes can rub off. Use is recommended on surfaces that can be wiped clean. Avoid placing the logs directly on carpet and other absorbent surfaces, which may cause staining.

Since their creation in 1916 by John Lloyd Wright, Lincoln Logs® building sets have entertained boys and girls...and now their boys and girls too. With its simple building system, friendly styling, and real wood logs, this well loved brand has become a classic in creative play...
